Our Philosophy

We are dedicated to partnership, innovation, and the satisfaction of our authors and readers.

We combine traditional publishing expertise with modern digital methodologies. Our focus is bringing fresh books from bright minds into the international spotlight.

Our unique position in the industry: we are literary story-hounds who identify untold stories of significance and pursue them until they become published works that benefit global readers.

OUR NICHE

We find stories where there should be one and work until the book exists

OUR MISSION

Ensuring important stories and expertise reach readers who need them

OUR APPROACH

Publishing Models

MODEL 01

Traditional

Publisher covers all costs and pays royalties, potentially with an advance to the author.

Applied to select titles that align with our book series or projects not initiated by us.

MODEL 02

Self-Publishing

Author maintains complete creative control, retaining 100% of copyrights and royalties.

We provide professional services while you retain full ownership of your work.

MODEL 03

Partnership

Joint venture approach for books we create and propose to potential authors.

Our preferred model for special interest content and new market development.
